

THE DO'S AND DON'TS OF HOLIDAY SCRATCH

DON'T:

stuff your turkey with Scratch tickets. They have cash value, but very little nutritional value.

DO:

set Scratch tickets as placeholders for your guests.

When you give the gift of **Scratch** the right way, many thanks will follow.

Season's greetings from the Colorado Lottery! Add some novelty and fun to your Thanksgiving celebrations by giving the gift of Scratch to your family and friends. Hosting a dinner engagement? Get the party started by using holiday Scratch tickets as placeholders. Write your guests' names on holiday Scratch tickets and place them on the plates. Going to a holiday party? Don't show up empty-handed. Tie a holiday Scratch ticket to a bottle of sparkling cider and offer it to your host. It's a delightful way to say thanks for the invite. Give thanks and spread cheer this holiday season with Scratch from the Colorado Lottery.
