

THE DO'S AND DON'TS OF 4TH OF JULY

DON'T:

Just hum the Star-Spangled Banner if you don't know the words.

DO:

Play Scratch. Winning may leave you speechless.

Be a play-triot this 4th of July. Play **Scratch**.

Happy 4th of July from the Colorado Lottery. This 4th of July when the flag is raised and the band starts playing, don't let your friends catch you not knowing the words. Instead, grab some Scratch tickets and hand them out. You may not know the words to the song, but winning is a great excuse for being speechless. Play Scratch this 4th and celebrate America the right way. By winning.

DON'T FORGET TO PLAY™
